Where is the sound of love

Where is the reason why

People dying and screams again

Will this war ever have an end

Children thrown away

Mothers going insane

Fugitives in their own lands, they are

Running for their lives

But they're trying

Trying, to survive

?Open all the borders

Give a helping hand

Earth is our planet?

**Em**

Survive

?Open all the borders

Give a helping hand

Earth is our planet?

**D** **Em** **G**

Racism has no more host

Say no to intolerance

Weapons given to a child

Will never build a better world

That will be the end

**D** **Em** **G**

Life is not worth a buck

Killing is a task of luck

Let's stop outrageous fight

Let arise the sunlight

And give out freedom

Freedom to survive

?Open all the borders

Give a helping hand

Earth is our planet?
