

# Eliza Doolittle - Moneybox

Tom: A

A  
Instead of goin' out

To dinner tonight  
Gbm  
We can grow vegetables  
D A  
Underneath our skylight

A  
Clickin' these downloads

Everyday has it's price  
Gbm  
We can lounge on our couch  
D A  
And listen to our 45's

Refrão:  
D  
So take your Dollar, your Yen

Those Euros I can't spend  
E  
I won't get down with no Pounds

Never need to leave this house

A  
Don't need your moneybox

'Cause I got lots and lots  
Gbm  
Of what I need right here

Right here with you, my dear

E  
Don't need the cash machine  
E  
To make our days happy  
A  
So do me a favor  
E  
Don't jingle your change, sir

A  
Instead of goin'

To the movies tonight  
Gbm  
There's no shame in us playin'  
D A  
Best of that Sega Mega Drive

A  
Hand me your trousers

You got holes in your knees  
Gbm  
It's no fuss, patch them up  
D A  
Forget about that shoppin' spree

Refrão:  
D  
So take your Dollar, your Francs

Your Rupees, no thanks  
E  
I won't get down with no Pounds

Never need to leave this house

A  
Don't need your moneybox

'Cause I got lots and lots  
Gbm  
Of what I need right here

Right here with you, my dear

E  
Don't need the cash machine  
E  
To make our days happy  
A  
So do me a favor  
E  
Don't jingle your change, sir

A  
Don't have your moneybox  
A  
It's not much of a loss  
D  
All that gold just goes to waste  
E  
'Cause you're worth more anyway

A  
Don't need to travel

'Round London tonight  
Gbm  
We can play Monopoly  
D A  
Buy Mayfair in our own time

D  
So take your Dollar, your Baht

I couldn't give a penny  
E  
That's enough, give it out

Never need to leave this house

A  
Don't need your moneybox

'Cause I got lots and lots  
Gbm  
Of what I need right here

Right here with you, I know

E  
I know Don't need the cash machine  
E  
To make our days happy  
A  
So do me a favor  
E  
Don't jingle your change, sir

A  
Don't need your moneybox

'Cause I got lots and lots  
Gbm  
Of what I need right here

Right here with you, I know  
E  
I know Don't need the cash machine  
E  
To make our days happy  
A  
So do me a favor  
E  
Don't jingle your change, sir

A  
So do me a favor  
E  
Don't jingle your change, sir
