

# Elizaveta - Nightingale's Eyes

Tom: G

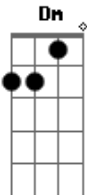

<sup>Dm</sup>  
Nightingale's eyes  
<sup>Am</sup>  
What secret lies  
<sup>C</sup>  
In their worth?  
<sup>Dm</sup>  
Raven's tears they cry  
<sup>Am</sup>  
But all the while  
<sup>C</sup>  
They softly lie and spy on you  
<sup>Dm</sup>  
Nightingale's eyes  
<sup>Am</sup>  
What will they find  
<sup>C</sup>  
Left behind?  
<sup>Dm</sup>  
Craven master spy  
<sup>Am</sup>  
With heart remiss  
<sup>C</sup>  
For those who could not find the truth  
<sup>Em</sup>  
We're blinded  
<sup>G</sup>  
So we're hiding  
<sup>D B</sup>  
Dying to be  
<sup>Em</sup>  
We're hiding

<sup>G</sup>  
From the fighting  
<sup>D B</sup>  
Longing to see  
<sup>Em</sup>  
We're waiting  
<sup>G D</sup>  
For someone to speak  
<sup>B Em G Em</sup>  
And set us all free  
<sup>Dm</sup>  
Nightingale's eyes  
<sup>Am</sup>  
Can free the ties  
<sup>C</sup>  
On our hands  
<sup>Dm</sup>  
Craven master spies  
<sup>Am</sup>  
Can they find  
<sup>C</sup>  
The key that can unlock the past?  
<sup>Em</sup>  
We're hiding  
<sup>G</sup>  
From the fighting  
<sup>D B</sup>  
Longing to see  
<sup>Em</sup>  
We're waiting  
<sup>G D</sup>  
For someone to speak  
<sup>B Em G Em</sup>  
And set us all free
