[Verso 1]

Bm D D E
Oh no, here we are
Em A
Can't believe the timing
Em A
Yesterday your smiling
Bm D D E
I guess we both played our parts
Em A
Very entertaining
Em A
But it's such a shame
G D
That we lost our way
A
From the nights we danced
A
The bands were playing
G D
I say I'm over you
A
But I'm not sure that it's true

[Refrão]

D
I am falling
A
And I'm too weak to fly
Bm
Now my heart's wide open
G
And you're the reason why
D
I've been broken
A
From the scars that I forgave
Bm
Spent a long time running
G
From the mess we've made
A
And no oh
A
But I'd do it all again

(**D G D G**)

[Verso 2]

Bm D D E
Come on, heart let me in
Em A
Things can be so bright
Em A
and the weight could be lighter
Bm D D E
And we both know so don't pretend
Em A
Makes it all so hard
Em A
when I see that we're far
G D
From the way we were,
A
From the nights we danced
A
The bands were playing
G D
I say I'm over you
A

But I'm not sure that it's true

[Refrão]

D
I've been broken
A
From the scars that I forgave
Bm
Spent a long time running
G
From the mess we've made
Bm
And oh

[Ponte]

Bm
If I found a way just to hit rewind
A
Would it be enough to change your mind
D Em
And this time I'd make you stay
Bm
And I remember how we used to be
A
And giving you up ain't so easy
D A
But since you walked away

[Refrão]

D
I am falling
A
And I'm too weak to fly
Bm
Now my heart's wide open

I've been broken

Bm
Spent a long time running
