

Ella Hunt - Who Are You?

tom:

Intro: D Em G D Em G

D Em G D Em G
 Who are you? What have you done to my self-esteem?
 I woke up this morning in some horror of a dream
 Who are you? What have you done to my sense of come?
 I look in the mirror and I sound the alarms
 And Doctors can?t cure me, they don?t know what I need
 And they can not cure me of my foolish disbeliefs
 I want to like myself, really I do
 But sometimes I wake up in the morning and I wonder who are you?

(D Em G D Em G)

And I might be i?m just in falling out of love with me
 I look in the mirror and I?d like to disagree
 But it?s not so much of how I look, is who I am

Can?t connect to where I stand, and

Doctors can?t cure me, they don?t know what I need
 And they can not cure me of my foolish disbeliefs
 I want to like myself, really I do
 But sometimes I wake up in the morning and I wonder who are you?
 Are you someone you don't know?
 Who are you? Are you someone you don't like?
 Who Are you? Are you someone you don't know?
 Who are you? Are you someone you don't like?

[Refrão]

Doctors can?t cure me, they don?t know what I need
 And they can not cure me of my foolish disbeliefs
 I want to like myself, really I do
 But sometimes I wake up in the morning and I wonder who are you?
