

Ellen Oléria - Me Leva

Tom: G

Diante do que digo pode ser perigo
 Pode tudo ter a ver, se deixar levar
 Vem no vento leve, bate soa dentro
 No que vou falar, se deixar levar

 Me leva, me leva
 Corrente que corre fluente

Do amor, no amor

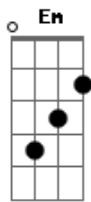

Estradas de tão bifurcadas que vão encontrando seus caminhos
 Unidas acabam andando sozinhas em vão
 Encantos que se desencantam não contam paixão
 Encontros que não desencantam encantam paixão

 Se deixar levar, me leva
 Se deixar levar, me leva
