

# Ellen Oléria - Me Leva

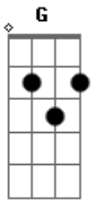

Tom: G

Diante do que digo pode ser perigo  
 Pode tudo ter a ver, se deixar levar  
 Vem no vento leve, bate soa dentro  
 No que vou falar, se deixar levar  
  
 Me leva, me leva  
 Corrente que corre fluente

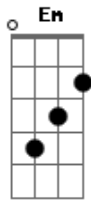

Do amor, no amor

Estradas de tão bifurcadas que vão encontrando seus caminhos  
 Unidas acabam andando sozinhas em vão  
 Encantos que se desencantam não contam paixão  
 Encontros que não desencantam encantam paixão  
  
 Se deixar levar, me leva  
 Se deixar levar, me leva
