Ellie Goulding - Animal

Tom: G

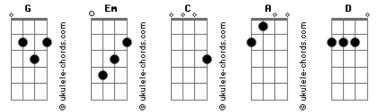

Em I'll show you all of the places I'm dreaming of. Em I'll take you to the Ocean, I'll bring the Sun Em We are seventeen, we are just begun... Fm I have loved a five four and then some but you are the one, the one, the one, the one The one, the one, the one, the one Em Wake up in the morning, we're paralysed... Em We'll fly into the garden like butterflies Em There will be no blood and there'll be no pain Em I want to fall in love with you again again again C Again, again, again, again, again, again, again, again C You have stolen all my senses D There's a fever in my heart

Em and you are taking my defences

You are pulling me apart

Acordes

G

Forever we're young and we are dying D and will spilling all our blood Em So I will take away my feelings G

I will be an animal C D Em A An animal, an animal

Same as above for the second verse/chorus

I'll tie you in my arms, I will smother you We'll tell eachother lies like we tell the truth I'll colour in the sky and I'll colour you I want to draw on your skin again again again

Chorus

```
C D Em G
We will run away from danger
C D Em A
We will run away
