

Ellie Goulding - Army

Tom: **A**

(com acordes na forma de
Capotraste na 2ª casa

G)

[Verse 1]

I know that I've been **G** messed up
You never let me give up **G**
All the nights and the fights **G**
And the blood and the breakups **C**
You always had to call off **C**
I am pain, I'm a child, I'm afraid **C**
And yet you understand **Em**
Yeah like no one can **Em**
Know that we don't look like much **D**
But no one fucks it up like us **D**

[Verse 2]

G 16 and you never even judged me **C**
Matter of fact I always thought you were too cool for me **C**
Sitting there in the caravan **C**
All the nights we've been drunk on the floor **Em**
And yet you understand **Em**
Yeah like no one can **D**
We both know what they say about us **D**
But they don't stand a chance because

[Chorus]

G When I'm with you
G When I'm with you **C**
I'm standing with an army **C**
I'm standing with an army **Em**
When I'm with you **Em**
When I'm with you **D**
I'm standing with an army **D**
Standing with an army

[Verse 3]

G Dark times, you could always find the bright side **C**
I'm amazed by the things that you would sacrifice **C**
Just to be there for me **C**
How you cringe when you sing out of tune **Em**
And yet it's everything **Em**
So don't change a thing

D

We both know what they say about us
But they don't stand a chance because

[Chorus]

G When I'm with you
G When I'm with you **C**
I'm standing with an army **C**
I'm standing with an army **Em**
When I'm with you **Em**
When I'm with you **D**
I'm standing with an army **D**
Standing with an army
