

# Ellie Goulding - Army

Tom: A

(com acordes na forma de  
Capostrate na 2ª casa

G)

[Verse 1]

I know that I've been <sup>G</sup>messed up  
 You never let me give <sup>G</sup>up  
 All the nights and the <sup>G</sup> fights  
 And the blood and the <sup>C</sup> breakups  
 You always had to call <sup>C</sup> off  
 I am pain, I'm a child, I'm afraid  
 And yet you understand <sup>Em</sup>  
 Yeah like no one can <sup>Em</sup>  
 Know that we don't look like much <sup>D</sup>  
 But no one fucks it up like us <sup>D</sup>

[Verse 2]

16 and you never even judged me <sup>G</sup>  
 Matter of fact I always thought you were too cool for me <sup>C</sup>  
 Sitting there in the caravan <sup>C</sup>  
 All the nights we've been drunk on the floor <sup>Em</sup>  
 And yet you understand <sup>Em</sup>  
 Yeah like no one can <sup>D</sup>  
 We both know what they say about us <sup>D</sup>  
 But they don't stand a chance because

[Chorus]

When I'm with you <sup>G</sup>  
 When I'm with you <sup>G</sup>  
 I'm standing with an army <sup>C</sup>  
 I'm standing with an army <sup>C</sup>  
 When I'm with you <sup>Em</sup>  
 When I'm with you <sup>Em</sup>  
 When I'm with you <sup>D</sup>  
 I'm standing with an army <sup>D</sup>  
 Standing with an army

[Verse 3]

Dark times, you could always find the bright side <sup>G</sup>  
 I'm amazed by the things that you would sacrifice <sup>C</sup>  
 Just to be there for me <sup>C</sup>  
 How you cringe when you sing out of tune <sup>C</sup>  
 And yet it's everything <sup>Em</sup>  
 So don't change a thing <sup>Em</sup>

<sup>D</sup>  
 We both know what they say about us  
<sup>D</sup>  
 But they don't stand a chance because

[Chorus]

When I'm with you <sup>G</sup>  
 When I'm with you <sup>G</sup>  
 I'm standing with an army <sup>C</sup>  
 I'm standing with an army <sup>C</sup>  
 When I'm with you <sup>Em</sup>  
 When I'm with you <sup>Em</sup>  
 When I'm with you <sup>D</sup>  
 I'm standing with an army <sup>D</sup>  
 Standing with an army <sup>D</sup>

[Refrain]

Standing with an army <sup>G</sup>  
 Standing with an army <sup>G</sup>  
 Standing with an army <sup>C</sup>  
 Standing with an army <sup>C</sup>

 Standing with an army <sup>Em</sup>  
 Standing with an army <sup>D</sup>  
 Standing with an army <sup>D</sup>  
 I'm standing with an army <sup>D</sup> <sup>G C</sup>

[Bridge]

Yet you understand <sup>Em</sup>  
 Yeah like no one can <sup>Em</sup>  
 We both know what they say about us <sup>D</sup>

[Chorus]

When I'm with you <sup>G</sup>  
 When I'm with you <sup>G</sup>  
 I'm standing with an army <sup>C</sup>  
 I'm standing with an army <sup>C</sup>  
 When I'm with you <sup>Em</sup>  
 When I'm with you <sup>Em</sup>  
 When I'm with you <sup>D</sup>  
 I'm standing with an army <sup>D</sup>  
 They don't have a chance either
