

## **Ellie Goulding - Beating Heart**

```
Intro: Dm F Bb Bb
Dm F Bb Bb
 Eyes make their peace in difficulties
With wounded lips and salted cheeks
And finally we step to leave to the departure lounge of
disbelief
 And I don't know where I'm going but I know it's gonna be a
 And I'll be leaving in the morning come to the white wine
bitter sunlight
Wanna hear your beating heart tonight
Before the bleeding sun comes alive
I want to make the best of what is left hold tight
                                Bb
          Dm
And hear my beating heart one last time before daylight
Dm F Bb Bb
Verso
 And the canyon underneath the trees
Behind the dark sky you look at me
I fell for you like the autumn leaves
Never faded evergreen
```

## And I don't know where I'm going but I know it's gonna be a long time Cause I'll be leaving in the morning come to the white wine bitter sunlight Dm Wanna hear your beating heart tonight Before the bleeding sun comes alive C I want to make the best of what is left hold tight Dm And hear my beating heart one last time I can't face this now everything has changed I just wanna be by your side Here's hoping we collide C Dm Bb Bb Here's hoping we collide Here's hoping we collide refrão Wanna hear your beating heart tonight Before the bleeding sun comes alive I want to make the best of what is left hold tight Dm F And hear my beating heart one last time Dm Wanna hear your beating heart tonight
