

Ellie Goulding - First Time (feat. Kygo)

Tom: C

Intro: 2x: F G Am

Primeira Parte:

We were lovers for the first time
 Running all the red lights
 The middle finger was our peace sign, yeah
 We were sipping on emotions
 Smoking and inhaling every moment
 It was reckless and we owned it, yeah, yeah

Pré-Refrão:

We were high and we were sober
 We were under, we were over
 We were young and now I'm older
 But I'd do it all again

Refrão:

Getting drunk on a train track
 Way back, when we tried our first cigarettes, oh
 Ten dollars was a fat stack
 I'd do it all again, oh
 Bought my jacket and a snapback
 Your dad's black Honda was a Maybach, oh
 Re: Stacks on the playback
 I'd do it all again, oh

(F G Am F G Am C) (2x)

Segunda Parte:

We were lovers on a wild ride
 Speeding for the finish line
 Come until the end of our time, yeah
 Started off as a wildfire, burning down the bridges to our empire
 Our love was something they could admire, yeah, yeah

Pré-Refrão:

We were high and we were sober
 We were under, we were over
 We were young and now I'm older
 But I'd do it all again
