

# Ellie Goulding - I Know You Care

Tom: A

Clinging to me  
 Like a last breath you would breathe  
 You were like home to me  
 I don't recognize the street  
  
 Please don't close your eyes  
 Don't know where to look without them  
 Outside the cars speed by  
 I never heard them until now  
  
 I know you care  
 I know it is always been there  
 But there's trouble ahead, I can feel it  
 You are just saving yourself when you hide it  
  
 Yeah, I know you care  
 I see it in the way you stare  
 As if there was trouble ahead and you knew it  
 I'll be saving myself from the ruin  
 And I know you care  
  
 I used to run down the stairs  
 To the door and I thought you were there  
 Do you shape through the comfort of us

Two lovers loved out of love

Oh, but I know you care  
 I know it is always been there  
 But there's trouble ahead, I can feel it  
 You are just saving yourself when you hide it  
  
 Yeah, I know you care  
 I see it in the way you stare  
 As if there was trouble ahead and you knew it  
 I'll be saving myself from the ruin  
  
 And know it wasn't always wrong  
 But I've never known a winter so cold  
 Now I don't warm my hands in your coat  
 But I still hope  
  
 'Cause this is how things ought to have been  
 And I know the worst of it wasn't all that it seemed  
 Why can't I dream  
 Why can't I dream  
  
 'Cause I know you care  
 And I know you care  
 I know you care  
 I know you care  
 I know it's always been there
