Ellie Goulding - I Know You Care

Tom: A	Two lovers loved out of love
Α	Gbm
Clinging to me Gbm	Oh, but I know you care
Like a last breath you would breathe	I know it is always been there
You were like home to me	But there's trouble ahead, I can feel it
I don't recognize the street	You are just saving yourself when you hide it
Α	Gbm
Please don't close your eyes Gbm	Yeah, I know you care D
Don't know where to look without them D	I see it in the way you stare Bm
Outside the cars speed by Bm	As if there was trouble ahead and you knew it
I never heard them until now	I'll be saving myself from the ruin
Gbm	E Gbm
I know you care	And know it wasn't always wrong
I know it is always been there	But I've never known a winter so cold F Gbm
But there's trouble ahead, I can feel it	Now I don't warm my hands in your coat
You are just saving yourself when you hide it	But I still hope
Gbm	E Gbm
Yeah, I know you care	'Cause this is how things ought to have been
I see it in the way you stare	And I know the worst of it wasn't all that it seemed
As if there was trouble ahead and you knew it	Why can't I dream
I'll be saving myself from the ruin	Bm Why can't I dream
And I know you care	D
٨	'Cause I know you care
I used to run down the stairs	And I know you care
To the door and I thought you were there	I know you care
Do you shape through the comfort of us	I know you care
Bm	E A I know it's always been there
