

# Ellie Goulding - Joy

Tom: C  
Intro: 2x: F C Dm C

C (F)  
Stood in the rain and watched you go  
I feel a lump in my throat  
And this is far from joy

C (F)  
I never seemed to learn  
That high makes things harder  
That high I get from you

C (C) Am G C  
I've figured out that joy is not in your arms

C (C) Am G  
I know I'll always ache with an empty heart

Am C F G C  
I think it's time to run cause I'm seeing stars

F  
I'm seeing stars - watch me fall apart

C (F)

I think of drying all the time  
But I've got joy to take my side  
Fear is my favorite ride ooh hey hoh

C (C) Am G C  
I've figured out that joy is not in your arms

C (C) Am G  
I know I'll always ache with an empty heart

Am C F G C  
I think it's time to run cause I'm seeing stars

F  
I'm seeing stars - watch me fall apart

And then you see, oooh

C (C) Am G C  
I've figured out that joy is not in your arms

C (C) Am G  
I know I'll always ache with an empty heart

Am C F G C  
I think it's time to run cause I'm seeing stars

F  
I'm seeing stars - watch me fall apart
