G A Bm
It's a little dirty how the whole thing started
G A Bm
I don't even really know what you intended
G A Bm
Thought that you were cute and you could make me jealous
Em A
Poured it down, so I poured it down

G A Bm
Next thing that I know: I'm in the hotel with you
G A Bm
You were talking deep like it was mad love to you
G A Bm
You wanted my heart but I just liked your tattoos
Em A
Poured it down, so I poured it down

G A Bm
And now I don't understand it
G A Bm
You don't mess with love, you mess with the truth
G A Bm
And I know I shouldn't say it
Em A
But my heart don't understand...

...why I got you on my mind

I always hear, always hear them talking
G A Bm
Talking 'bout a girl, 'bout a girl with money
G A Bm
Saying that I hurt you, but I still don't get it
Em A
You didn't love me, no, not really

Bm
Wait - I could have really liked you
G A Bm
I'll bet, I'll bet that's why I keep thinking about you
G A Bm
It's a shame... you said I was good
Em A
So I poured it down, so I poured it down
G A Bm

And now I don't understand it

You don't mess with love, you mess with the truth
