

Ellie Goulding - Only You

Tom: Eb

(com acordes na forma de Capotraste na 8ª casa G)

Only you can be the aching in my heart, My enemy
 the only animal I couldn't fight
 You hold me in the dark when storms arrive
 Only you
 Only you can see the emptiness I feel
 When you're with me

When everything you say I'm on my knees
 Baby I'm on my knees
 Baby I'm on my knees
 Baby I'm on my knees
 When everything you say I'm on my knees
 Baby I'm on my knees
 Baby I'm on my knees
 Baby I'm on my knees
