

# Ellie Goulding - Only You

Tom: Eb

(com acordes na forma de Capotraste na 8ª casa G )

Only you can be the aching in my heart, My enemy  
 the only animal I couldn't fight  
 You hold me in the dark when storms arrive  
 Only you  
 Only you can see the emptiness I feel  
 When you're with me

When everything you say I'm on my knees  
 Baby I'm on my knees  
 Baby I'm on my knees  
 Baby I'm on my knees  
 When everything you say I'm on my knees  
 Baby I'm on my knees  
 Baby I'm on my knees  
 Baby I'm on my knees
