 E  
 Help me, my God, this got messy  
 A Gbm  
 Least I got the best seat  
 D A A  
 'Cause we put on one hell of a show  
 A A  
 Waiting, I just keep on waiting  
 A Gbm  
 For the final curtain  
 D A A  
 'Cause I just can't let go of your love  
 D Gbm E  
 You say my name like you know my dark side, ooh  
 D Gbm E  
 Can't beat the taste of the tears that I'll cry, ooh  
 A E  
 Slow grenade is blowing up my mistakes  
 Gbm  
 So why don't I, why don't I stop it?  
 Gbm  
 Still got time for me to stop it  
 E  
 It's like a part of me must want it  
 E  
 That's why I'm not running from it  
 A  
 Can't escape this blowing up  
 E  
 In my face so why can't I  
 Gbm  
 Why can't I stop it?  
 Gbm  
 Still got time for me to stop it

 A A  
 Crazy, late nights in the city  
 A Gbm  
 Drink until you hate me  
 D A A  
 Then say that I should just let you go  
 A A  
 But hold on, why do we still hold on?  
 A Gbm  
 Think that we should move on  
 D A A  
 But we're too scared of being alone, ooh (Being alone)
