

Ellie Goulding - Something In The Way You Move

Tom: E

(com acordes na forma de D)
 Capotraste na 2ª casa
 [Verse 1]

It's the strangest feeling,
 feeling this way for you
 There's something in the way you move,
 something in the way you move

With you I'm never healing,
 it's heartache filled with you
 There's something in the way you move,
 I don't know what it is you do

[Verse 2]

Now I'm knowing your body ain't good enough for me
 But this heart is open, bloodstains on my sleeve
 When our eyes meet, I can only see the end
 But tonight I meet yours again

[Pre-Chorus]

But tonight I'm gonna lose it all
 Playing with fire, I was the first to fall
 Heart is sinking like a cannonball
 Baby, kill me, what you waiting for?

[Chorus]

Something in the way you move
 It's something in the way you do it
 It's something in the way you move
 Oh-oh

Something in the way you move
 It's something in the way you do it
 It's something in the way you move
 Oh-oh

[Interlude]

[Verse 3]

There's an evil night and stars don't shine tonight, no

It's something in the way you do
 It's something in the way you

Bring me closer, farther
 Bring me just enough
 The lies always seem so true
 There's nothing left for me to lose

There's not one thing I can do to change your ways
 But I can't sit back and take the lonely days
 When our eyes meet, I can only see the end
 But tonight they meet yours again

[Pre-Chorus]

But tonight I'm gonna lose it all
 Playing with fire, I was the first to fall
 Heart is sinking like a cannonball
 Baby, kill me, what you waiting for?

[Chorus]

Something in the way you move
 It's something in the way you do it
 It's something in the way you move
 Oh-oh

Something in the way you move
 It's something in the way you do it
 It's something in the way you move
 Oh-oh
