F Dm C
 Someday my pain,
 F Dm C
 someday my pain, will mark you
 F Dm C
 Harness your blame,
 F Dm C
 harness your blame and walk through

Bb Dm C
 With the wild wolves around you
 Bb Dm C
 In the morning, I'll call you
 Bb Dm C
 Send it farther on

F Dm C

Solace my game,
 F Dm C
 solace my game, it stars you
 F Dm C
 Swing wide your crane,
 F Dm C
 swing wide your crane and run me through

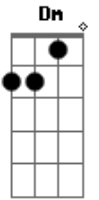

Bb Dm C
 And the story's all over you
 Bb Dm C
 In the morning i'll call you
 Bb Dm C
 Can't you find a clue
 Bb Dm C
 when your eyes are all painted Sinatra blue

Bb Dm C
