

# Ellie Goulding - Under Control

Tom: B

I'll never forget that feeling **Abm**  
 When I wash, you disappear  
**E**  
 And you made me stop believing  
 I could fight away the fear  
**Abm**  
 Now it's no casket and the end is near  
 It was my illusion  
**E**  
 Like a broken dream, I was incomplete  
**Gb7** **Abm**  
 But your love was never the missing key

**Dbm E Abm Gb7**  
 I feel like I am dreaming again  
**Dbm E Abm Gb7**  
 I feel like I am seeing again  
**Dbm E Abm Gb7**  
 I feel like I am breathing again  
**Dbm E**  
 I got it under control  
**Abm Gb7**

**Dbm B Abm**

**Abm**  
 All that's real is faded, like a car into the night  
**E**  
 Like painkiller I take it  
 And I watch the world ignite  
**Abm**  
 Now it's no casket and the end is near  
 It was my illusion  
**E**  
 Like a broken dream, I was incomplete
