Like all the boys before, **Bm**
like all the boys, boys, boys(x2)

Bm
You left your blood stain on the floor

G
You set your sights on him

Bm
You left a hand print on the door,

G
Like all the boys before, like all the boys before (boys boys boys boys)

Bm
This is our luck, baby, running out

G
Her clothes were never off

Bm
We still have hours to run about

G
To scale the map, scale the map, to get us back on track

Refrão:

G **Bm**
Were under the sheets and you're killing me

G **Bm**
In our house made of paper, your words all over me

G **A** **Bm**
Were under the sheets and you're killin' meeeee

(palm mute)

Bm
Like all the boys before, like all the boys, boys, boys(x2)

Bm
In here the world wont bring us down

G
Our plan is golden

Bm
Out there a lonely girl could drown

G
In here were frozen

Bm
Where did the people go?

G
My hands are empty

Bm
You're not the answer I should know

G
Like all the boys before, like all the boys before
(whoa, whoa, whoa, whoa,)

(Refrão)

Bm
We're in a mess baby, we're in a mess babe

G
Your more is less babe (oh, oh)

Bm
Were in a mess baby, were in a mess babe

G
Your more is less babe (oh, oh!)

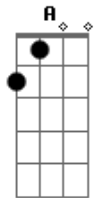

Bm **Bm**
(oh you're killin me, your killin me!!)

G **A** **Bm**
Were under the sheets and you're killin me

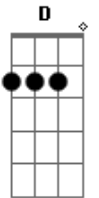

Bm
(killin me, killin me, killin me)
