Ellie Goulding - Wish I Stayed

Tom: A Α Why can't we speak another language Dbm One we all agree on Why when men look outside do they see houses Dbm Instead of fields they grew from We are constantly uprooted from them Dbm Making us tiresome and fearful Can you get up right now Dbm And endeavor freefall (off) Caus'you can fall if you want to It's just a matter of how far Dbm You've treasured your home town Dbm You've forgotten where you are Α And it will stay with you Α Til' your mind's been found Dbm And it has been found wondering around. Without a skipping rope A trampoline Abm A crafty smoke Dbm They've made a simpler way to give up F It's the simple ways Of getting payed Abm The carelessness of lying awake Dbm Oh i wish i stayed Α I wish i stayed Dbm I wish i stayed Patterns all arranged in my backround Dbm It's pillars and posts keeping this country on form Letters were all sent with no addresses So that people can't scuffer Dbm Always undercover Why do i always draw triangles instead of words Dbm It's paint so it serves
