

Ellie Holcomb - You Are Loved

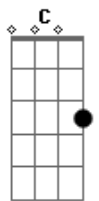

tom:
 F
 Some days you're tired of trying to measure up
 You see a girl who's not enough
 When you look in the mirror
 F C
 Some nights all you want to do is hide
 Cause every time you look inside
 You're face to face with failure
 F C
 But you are loved, not because of what you've done
 Even when your heart has run the other way
 Nothing's gonna change His love
 F C
 And you are wanted, not because you are perfect
 I know that you don't think you're worth that kind of grace
 But look into His face, you'll know
 That you are loved
 F C
 You've searched for something that will stir your soul
 That will make you feel less alone
 But nothing ever saves you
 F C
 He knew before you ever took a breath
 There'd be days when you'd forget
 How beautiful He made you
 F C
 But you are loved, not because of what you've done

Even when your heart has run the other way
 Nothing's gonna change His love
 C F C
 And you are wanted, not because you are perfect
 I know that you don't think you're worth that kind of grace
 But look into His face, you'll know
 That Jesus,
 D
 He chose you
 C
 He sees you,
 F
 He knows you, ohhhh
 D C
 You're covered, forever
 F C
 Beloved Daughter
 F C
 But you are loved, not because of what you've done
 Even when your heart has run the other way
 Nothing's gonna change His love
 F C
 And you are wanted, not because you are perfect
 I know that you don't think you're worth that kind of grace
 But look into His face, you'll know
 That you are loved
 Look into His face, you'll see it there
 Look into His face, you'll know
 That you are loved
 That you are loved
 Look into His face, you'll see it there
 That you are loved
