

Ellie Minibot - I Don't Want To Be An Engineer

tom:

[Primeira Parte]

Eb7M **D7**
I don't want to be an engineer
Gm **Gm**
I tried so hard and got so far and now I can't decide
Eb7M **D7**
All my life I've given my career
Gm **Gm**
These numbers in my head keep on spinning round and round,
yeah
Eb7M **D7**
I can only guess
Gm
What's right
Gm
Should I stay three more years just to waste away?
Eb7M **D7**
Become a slave to all these numbers
Gm **Gm**
It's overdue, all the stress yet I say I'm fine

(**Eb7M** **D7** **Gm** **Eb7M** **D7** **Gm**)

[Pré-Refrão]

Eb7M **D7**
Working overtime, trying to finish this in time
Gm **Gm**
Got myself into this mess, can I really pass this test, yeah
Eb7M **D7**
X, Y, Z, yeah, teach me how to breathe
Gm **Gm**
I'm suffocating deep inside, I can't deny I've tried to quit

[Refrão]

Eb7M **D7**
All my life I've failed
Gm **Gm**
To be, the one, to meet these expectations
Eb7M **D7**
All my life I've tried
Gm **Gm**
Now all the stress to fill those answers

[Segunda Parte]

Eb7M **D7**
A, B, C finding all these numbers
Gm **Gm**
Integrate, differentiate, it's getting old, yeah
Eb7M **D7**
5, 4, 3 Finding all these numbers
Gm **Gm**
Calculate, no mistake it's getting old, yeah
Eb7M **D7**
I can only guess
Gm
What's right
