

Ellielthon - Sem Eu Querendo

Tom: G

Eu
 Estou aqui
 Venho entregar meu coração
 Tão cansado de viver sem ti

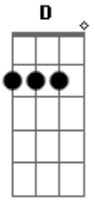

Eu
 Recorro a ti
 Sozinho já não consigo mais
 Sou humano até demais

Toma direção e refaz tudo outra vez

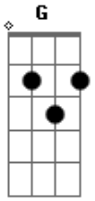

Me molda em tuas mãos
 Me acalma o coração
 Transforma minha vida, Senhor
 Me faz recomeçar

Me molda em tuas mãos
 Me acalma o coração
 Ferido hoje, por não reconhecer
 Que Senhor vela por mim
 Sem eu querer
