

Elliot Greer - Bleed

tom:

G

[Primeira Parte]

I've been down this road
 A couple times before
 Had my ass handed to me but I'm back for more
 Bruised and underfed
 Sick in the head
 Living off every damn word she's ever said

[Pré-Refrão]

Now I'm swervin' down the interstate
 Trying hard to loose all my past mistakes
 Never once did I believe in fate until I saw her face

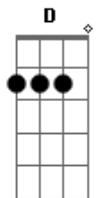

[Refrão]

She's like a soft pale light
 Holdin' my attention through a starless night
 Like a junkie she's the only thing that's on my mind
 I'v? seen how cruel this world can be
 Yet I g?t born again when she's next to me
 I'll bleed, I'll bleed to be everything she ever needs

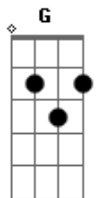

[Segunda Parte]

I'm a wannabe, and that ain't modesty
 What she sees in me transcends destiny
 She resurrects my soul
 It's somethin' biblical
 Only she can make Mondays feel spiritual

[Pré-Refrão]

Now I'm burned and tryna keep it straight
 Fightin' every urge that
 Waits for me to break
 Never once did I have any faith until I saw her face

[Refrão]

She's like a soft pale light
 Holdin' my attention through a starless night
 Like a junkie she's the only thing that's on my mind
 I'v? seen how cruel this world can be
 Yet I g?t born again when she's next to me
 I'll bleed, I'll bleed to be everything she ever needs
 I'll bleed, I'll bleed to be everything she ever needs

[Ponte]

I'm high strung out on her tonight
 Deadbeat, she makes me wanna try
 Depressed, she's keepin' me alive

[Refrão]

She's like a soft pale light
 Holdin' my attention through a starless night
 Like a junkie she's the only thing that's on my mind
 I'v? seen how cruel this world can be
 Yet I g?t born again when she's next to me
 I'll bleed, I'll bleed to be everything she ever needs
 I'll bleed, I'll bleed to be everything she ever needs
 I'll bleed, I'll bleed to be everything she ever needs
