

# Elliott Smith - 2 45 AM

tom:  
 G  
 I'm Going out sleepwalking  
 Em C G  
 Where mute memories start talking  
 Em C G  
 The boss that couldn't help but hurt you  
 Em C G  
 And the pretty thing he made desert you  
 Em C G  
 I'm going out like a baby  
 Em C G  
 A naive unsatisfiable baby  
 Em C G  
 Grabbing on to whatever's around  
 Em C G  
 For the soaring high or the crushing down

[Bridge]  
 A7  
 With hidden cracks that don't show  
 D C  
 But that constantly just grow  
 Em C G  
 Looking for the man that attacked me  
 Em C G  
 While everybody was laughing at me  
 Em C G

You beat it in me that part of you  
 Em C G  
 But I'm gonna split us back in two

A7  
 Tired of living in a cloud  
 D C  
 If you're gonna say shit now you'll do it out loud

Em C G  
 It's two forty-five in the morning  
 Em C G  
 And I'm putting myself on warning  
 Em C G  
 For waking up in an unknown place  
 Em C G  
 With a recollection you half erased

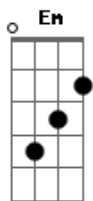

A7  
 Looking for somebody's arms to  
 D C  
 Wave away past harms

Em C G  
 Walking out on center circle  
 Em C G  
 The both of you can just fade to black  
 Em C G  
 Walking out on center circle  
 Em C G  
 Been pushed away and I'll never come back
