

Elliott Smith - Kings Crossing

Tom: Ab

(com acordes na forma de F)
 Capotraste na 3ª casa
 King's Crossing
 Figure 8

Capo 3rd Fret
 Intro:

The King's crossing was the main attraction
 Dominoes falling in a chain reaction
 The scraping subject ruled by fear told me
 Whiskey works better than beer
 The judge is on vinyl, decisions aren't final
 And nobody gets a reprieve
 And every wave is tidal
 If you hang around you're going to get wet

Dm
 I can't prepare for death any more than I already have

Verse:
 Am F
 All you can do now is watch the shelves
 C G Dm
 The game looks easy, that's why it sells

Chorus:
 C B
 Frustrated fireworks inside your head
 Am G F
 Are going to stand and deliver dark instead
 C B
 The method acting that pays my bills
 Am G F
 Keeps the fat man feeding in Beverly Hills
 C B
 I got a heavy metal mouth, it hurls obscenity
 Am G F
 And I get my check from the trash treasury
 C B

Because I took my own insides out
 Am F
 It don't matter cause I have no sex life
 C G Dm
 And all I wanna do now is inject my ex-wife
 Am
 I've seen the movie
 F C G Dm
 And I know what happens
 Am
 It's Christmas time
 F
 And the needle's on the tree
 C G Dm
 A skinny Santa is bringing something to me
 Am
 His voice is overwhelming
 F
 But his speech is slurred
 C G C G C F
 And I only understand every other word

Open your parachute and grab your gun
 Float down like an omen, a setting sun
 Read the part and return at five
 It's a hell of a role if you can keep it alive
 But I don't care if I fuck up
 I'm going on a date
 With a rich white lady
 Ain't life great?
 Gi'me one good reason not to do it
 (Because I love you)
 So do it.

This is the place where time reverses
 And dead men talk to all the pretty nurses
 Instruments shine on a silver tray
 C G
 Don't let me get carried away
 C G
 Don't let me get carried away
 C G Dm
 Don't let me be carried away
