

# Elliott Smith - Kings Crossing

Tom: Ab

(com acordes na forma de F )  
 Capotraste na 3ª casa  
 King's Crossing  
 Figure 8

Capo 3rd Fret  
 Intro:

The King's crossing was the main attraction  
 Dominoes falling in a chain reaction  
 The scraping subject ruled by fear told me  
 Whiskey works better than beer  
 The judge is on vinyl, decisions aren't final  
 And nobody gets a reprieve  
 And every wave is tidal  
 If you hang around you're going to get wet

Dm  
 I can't prepare for death any more than I already have

Verse:  
 Am F  
 All you can do now is watch the shelves  
 C G Dm  
 The game looks easy, that's why it sells

Chorus:  
 C B  
 Frustrated fireworks inside your head  
 Am G F  
 Are going to stand and deliver dark instead  
 C B  
 The method acting that pays my bills  
 Am G F  
 Keeps the fat man feeding in Beverly Hills  
 C B  
 I got a heavy metal mouth, it hurls obscenity  
 Am G F  
 And I get my check from the trash treasury  
 C B

Because I took my own insides out  
 Am F  
 It don't matter cause I have no sex life  
 C G Dm  
 And all I wanna do now is inject my ex-wife  
 Am  
 I've seen the movie  
 F C G Dm  
 And I know what happens  
 Am  
 It's Christmas time  
 F  
 And the needle's on the tree  
 C G Dm  
 A skinny Santa is bringing something to me  
 Am  
 His voice is overwhelming  
 F  
 But his speech is slurred  
 C G C G C F  
 And I only understand every other word

Open your parachute and grab your gun  
 Float down like an omen, a setting sun  
 Read the part and return at five  
 It's a hell of a role if you can keep it alive  
 But I don't care if I fuck up  
 I'm going on a date  
 With a rich white lady  
 Ain't life great?  
 Gi'me one good reason not to do it  
 (Because I love you)  
 So do it.

This is the place where time reverses  
 And dead men talk to all the pretty nurses  
 Instruments shine on a silver tray  
 C G  
 Don't let me get carried away  
 C G  
 Don't let me get carried away  
 C G Dm  
 Don't let me be carried away
