Needle in the hay

VERSE 1 (1ST time x2) (2nd time x4) (3rd time x2 to)

nearly touching this dirty retreat, Falling out

VERSE 3 x4

6th and Powell a dead sweat in my teeth, Gonna walk, walk, walk

4 more blocks, plus the one in my brain Downstairs

To the man, He's gonna make it all OK I can't be myself

I can't be myself, then I don't want to talk I'm taking the cure

Your hand on his arm, the hay stack charm around your neck
Strung out and thin, calling some friend trying to cash some check

So I can be quiet wherever I want, alone

So leave me back to

He's wearing your clothes, head down to toes, a reaction to you
You say you know what he did, but you idiot kid, you don't have a clue

VERSE 2

Back to CHORUS

You ought to be proud that I'm getting good marks

FINAL CHORUS x2 (2nd time from)

He's acting dumb, that's what you've come, to expect

Sometimes they just get caught in the eye, you're pulling him through
