

# Ellis - Fall Apart

tom:

Intro: B Abm Gb E

B Abm  
Secrets whispered in my ear

Gb  
All the words I've been dying to hear from you  
Listening to my favorite songs

E  
Under the covers we hum along

B Abm  
Lean in but don't look too close  
There are things I don't want you to know

Gb E  
And please, don't watch me, unraveling  
[Refrão]

B  
And now you see me on my bad days

Abm  
Falling back into my old ways

Gb  
Spinnin' in circles in a black haze

E  
I didn't mean to fall apart

B  
I didn't mean to fall apart

( Abm Gb E )

B Abm  
Fly high then sink so deep

Gb

These feelings bring out the worst in me  
Thought I had it under control

E  
But when it happens, it swallows me whole

B Abm  
Get out but don't walk away  
When you see what a mess I have made

Gb E  
And you, you're watching me, unraveling

[Refrão]

B  
And now you see me on my bad days

Abm  
Falling back into my old ways

Gb  
Spinnin' in circles in a black haze

E  
I didn't mean to fall apart  
I didn't mean to

B  
On my worst days

Abm  
Falling back into my old ways

Gb  
Spinnin' in circles on the driveway

E  
I didn't mean to fall apart

B  
I didn't mean to fall

[Final] Abm Gb E  
B Abm Gb E B

## Acordes
