

ellise - Nightmares

tom:
 G
 [Primeira Parte]
 Bm Em
 Sinking, so sick of thinking
 G
 Of all the things you need from me
 Gb
 Who you think that I should be?
 Bm Em
 Itching to feel you with me
 G
 But I can do that to myself
 Gb
 Touch so soft but words that kill
 [Pré-Refrão 1]
 Bm Gb
 I wanna look past it, cause you're such a habit
 Em
 But I'm made out of glass and
 Gb
 Some wounds you just can't lick
 Bm
 The crimes that you have committed
 Gb
 You hold them against me
 Em
 No nights, without you I can't dream
 [Refrão]
 Gb Bm
 So now I see you in my nightmares
 (Or not at all)
 Gb7 Bm
 All by myself, drowning in my tears
 (It's just the cost)
 Gb7 Bm
 Of keeping you alive inside my brain
 I know it's strange
 G Gb
 I'm dealing with the pain
 Em Gb
 I'm having nightmares, nightmares
 And you're to blame
 [Segunda Parte]
 Bm Gb
 Crawling, I know you're calling
 Em
 Your number on my shattered screen
 Gb
 Type your name, my fingers bleed
 [Pré-Refrão 2]

Bm Gb
 I wanna look past it, developed a habit
 Em
 Cause I'm made out of glass and
 Gb
 Got wounds you just can't fix
 Bm Gb
 The lies you've told me have damaged my heart
 And I'm manic
 Em Gb
 Tonight I'm sleeping in panic
 [Refrão]
 Gb Bm
 So now I see you in my nightmares
 (Or not at all)
 Gb7 Bm
 All by myself, drowning in my tears
 (It's just the cost)
 Gb7 Bm
 Of keeping you alive inside my brain
 I know it's strange
 G Gb
 I'm dealing with the pain
 Em Gb
 I'm having nightmares, nightmares
 And you're to blame
 Gb Bm
 So now I see you in my nightmares
 (Or not at all)
 Gb7 Bm
 All by myself, drowning in my tears
 (It's just the cost)
 Gb7 Bm
 Of keeping you alive inside my brain
 I know it's strange

 I'm dealing with the pain
