

Elton John - Candle in The Wind

Tom: E

Goodbye Norma Jean, Though I never knew you at all

You had the grace to hold yourself, While those around you crawled

They crawled out of the woodwork, And they whispered into your brain

They set you on the treadmill, And they made you change your name

Chorus:

"And it seems to me you lived your life, Like a candle in the wind

Never knowing who to cling to, When the rain set in

And I would have liked to have known you, But I was just a kid (Chorus)

Your candle burned out long before, your legend ever will

A| - E - Gbm - E"

Loneliness was tough, The toughest role you ever played,

Hollywood created a superstar, And pain was the price you paid

Even when you died, Oh the press still hounded you

All the papers had to say, Was that Marilyn was found in the nude

(Chorus)

Goodbye Norma Jean, From the young man in the 22nd row

Who sees you as something as more than sexual, More than just our Marilyn Monroe

Your candle burned out long before, Your legend ever did
