

Elton John - Crazy Water

Tom: Bb
Intro: 4 x Bb\ D F\ D F Bb\ F F F Bb\ F F F Bb\ F F Eb Eb Bb\ D

On a bench, on the beach
Just before the sun had gone
I tried to reach you
Plain faced and falling fast
You looked so vacant like an empty shell
Whose life had passed upon the ocean Mmmmm

Be- fore light shook the sky
Down by the docks I saw
The masts unfolding
Don't turn away, please understand
It's a life and a living
And a way to keep the wolves away
From hungry hands, from hungry hands

Crazy water
Takes my fishing boat on Mon-day morning
Dangerous dreaming
If we all believe in the things you believe you're seeing

Oh we'd never drop our nets in the crazy water, crazy water

Tan- gled lives, lone-ly wives
Shoreline widows pray
For the souls of missing whalers
Endless nights on an endless sea
Where nothing lives between us
Just the breakers on the ocean

Separating you and me
Separating you and me
