

# Elton John - Dark Diamond

Tom: Db  
Intro: Bbm Gb Ab (OCTAVES: Ab Ab Bb Db Eb )

Bbm Gb  
Oh, I'm a dark diamond  
Ab Db Fm  
I've turned hard and cold  
Bbm Ebm7 Ab (OCTAVES: Ab Ab Bb Db Eb )  
Once was a jewel with fire in my soul  
Bbm Gb  
There's two sides of a mirror  
Ab Db Fm  
One I couldn't break through  
Bbm Ebm7 Fm  
Stayed trapped on the inside, wound up losing you

Db  
Tell me how does it work  
Db Db Gb  
How do you make things fit  
Fm Bbm  
Spent all my life trying to get it right  
Ebm7 Ab  
I've put it together and it falls apart  
Db Db Db Gb  
I thought to myself I might understand  
Fm  
But when the wall's built  
Bbm Ebm7

And the heart hardens  
Ab (Db Bbm Ebm7 Ab )  
You get a dark diamond  
(Bbm Gb Ebm7 Ab )  
Dark diamond  
Oh, I'm a dark diamond  
But you're something else  
You read me more than I read myself  
The one star I could count on  
Only comet I could trust  
You burnt through my life to the true meaning of love

(CHORUS)  
Bbm Gb Ab Db Fm  
Bbm Ebm7 Fm

(CHORUS)  
Ab (Db Bbm Ebm7 Ab )  
You get a dark diamond  
(Bbm Gb Ebm7 Ab )  
Dark diamond  
(REPEAT, FADE )
