G **F D G E Am G F**
But we sometimes forget what it was you created us for

Dear God, now's the time
If you're listening, show some sign
Dear God, hear me plead
Don't desert us in our need

Dear God, lend a hand

Is this really what you planned
Dear God, in you we trust
Though we've failed you, don't fail us

Oh we take what we get but we can't take much more
Do you sometimes forget what it was you created us for, dear God
