

# Elton John - Dirty Little Girl

Tom: D (Oh she never...)

(D C7M)  
 I've seen a lot of women who haven't had much luck  
 I've seen you looking like you've been run down by a truck  
 That ain't nice to say sometimes I guess I'm really hard  
 But I'm gonna put buckshots in your pants if you step into my yard

(D C7M)  
 When I watch the police come by and move you on  
 Well I sometimes wonder what's beneath the mess you've become  
 Well you may have been a pioneer in the trade of woman's wear  
 But all you got was a mop up job washing other people's stairs

I'm gonna tell the world, you're a dirty little girl  
 Someone grab that bitch by the ears  
 Rub her down scrub her back  
 And turn her inside out  
 'Cause I bet she  
 I bet She, I Bet she  
 Oh I bet she hasn't had a bath in years  
 Here's my own belief about all the dirty girls  
 That you have to clean the oyster to find the pearl  
 And like rags that belong to you I belong to myself  
 So don't show up around here till your social worker's helped
