

Elton John - Dirty Little Girl

Tom: D

(Oh she never...)

(D C7M)

I've seen a lot of women who haven't had much luck
 I've seen you looking like you've been run down by a truck
 That ain't nice to say sometimes I guess I'm really hard
 But I'm gonna put buckshots in your pants if you step into my yard

I'm gonna tell the world, you're a dirty little girl
 Someone grab that bitch by the ears
 Rub her down scrub her back
 And turn her inside out
 'Cause I bet she
 I bet She, I Bet she
 Oh I bet she hasn't had a bath in years

(D C7M)

When I watch the police come by and move you on
 Well I sometimes wonder what's beneath the mess you've become
 Well you may have been a pioneer in the trade of woman's wear
 But all you got was a mop up job washing other people's stairs

Here's my own belief about all the dirty girls
 That you have to clean the oyster to find the pearl
 And like rags that belong to you I belong to myself
 So don't show up around here till your social worker's helped
