

Elton John - Don't Let the Sun go down on me

Tom: C

(Participação de George Michael)

Intro: C-Bb-F-C-F-Dm

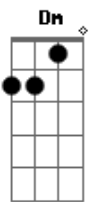

1. I can't light no more of your
 darkness, all my pictures seem to fade to black and white.
 I'm growing tired, and time stands still before
 me, frozen here on the ladder of my life.
 2. It's much too late to save myself from
 falling, I took a chance and changed your way of life.
 -F-G But you misread my meaning when I met you,
 G-F closed the door and left me blinded by the
 light.

Don't let the sun go down on me,
 although I search myself, it's always someone else I see.
 I'd just allow a fragment of your life to wander
 free, oh - but losing everything is like the sun going down on me.
 3. I can't find, oh, the right romantic
 line, but see me once and see the way I feel.
 Don't discard me, just because you think I mean
 you harm. But these cuts I have, oh they need love to help me
 heal, oh!
