

# Elton John - Fórmula de Amar

Tom: E

Eb (E A E A E A B) (x2)  
(B)

Afinação: Eb Ab Db Gb Bb

I could really get off being in your shoes  
I used to be stone sold on rhythm and blues  
A heard of a place at the back of town  
Where you really kick the shit when the sun goes down

I really got buzzed when your sister said  
"Throw away them records `cause the blues is dead"  
A Let me take you honey where the scene's on fire"  
B A E

And tonight I learned for certain that the blues expired

Oh your sister can't twist but she can rock and roll  
E She out bucks the broncos in the rodeo-do  
B She's only sixteen but it's plain to see  
E She can pull the wool over little old me  
A Your sister can't twist but she can rock and roll  
B Your sister can't twist but she got more soul than me

Somebody help me `cause the bug bit me  
Now I'm in heaven with the aching feet  
But I'll be back tonight where the music plays  
And your sister rocks all my blues away

I really got buzzed when your sister said  
"Throw away them records `cause the blues is dead"  
Let me take you honey where the scene's on fire"  
And tonight I learned for certain that the blues expired
