

Elton John - I Think I'm Going To Kill Myself?

Tom: A

m
Intro: Am G Am C Am C Am

I?m getting board being part of mankind

There?s not a lot to do no more
This race is a waste of time

People rushing everywhere
Swarming around like flies
Think I?ll buy a 44
Give ?em all a surprise

Think I?m gonna kill myself
Cause a little suicide
Stick around for a couple of days
What a scandal if I died

Yea I?m gonna kill myself
Get a little headline news
I?d like to what the papers say
On the state of teenage blues

(G Am C F C Dm E7)

A rift in my family
I can?t use the car

I gotta be in by 10 o?clock
Who do they think they are

I?d make an exception
If you wanna save my life
Brigitte Bardot's gotta come
And see me every night

Think I?m gonna kill myself
Cause a little suicide
Stick around for a couple of days
What a scandal if I died

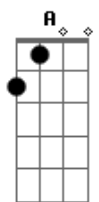

Yea I?m gonna kill myself
Get a little headline news
I?d like to what the papers say
On the state of teenage blues

(G Am C F C Dm E7)
(C7 D7 G7 F C C7 D7 G7)

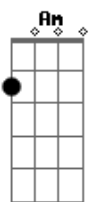

On the state of teenage blues
(G Am C F C Dm E7)

?kill myself? Suicide?
What a scandal if I died
Suicide... Headline news
On the state of teenage blues
