

Elton John - If The River Can Bend

Tom: C

I don't know what to say
 I don't know where the light shines
 It's a grey dawn rising on a green hill
 And there's so much behind us
 I don't know where we go
 I sure feel there's something out there
 There's a great awakening and a new morning
 And your spirit's pounding loud and clear
 If the river can bend
 I'll find you waiting

Home at last from the wild sea
 All the twists and turns
 We've made together
 All the boats you rocked
 With your harmony
 If the river can bend
 If the river can bend
 If the river can bend
 If the river can bend
 Come and embrace the struggle
 But win or lose we live here
 Build a new beginning on an old rock
 Breathe deep of the sweet fresh air

Acordes
