

# Elton John - In Neon

Tom: Db

Intro: Eb Ab Eb Ab Ab7 Db Ab Eb Ab Afinação: Eb Ab Db Gb Bb

Lipstick and lashes, the traces of stardom  
 Lit up on a billboard so everyone sees them in neon  
 Behind the counter she stares out the window  
 Up at the billboard that's like a reminder in neon  
 She hates how she feels but she hangs like a mirror  
 Maybe a stranger could walk in and see her in neon  
 For two cents of danger she'd trust anybody  
 She'd smoke like a gun if it meant she might wind up

In neon the dreams in the light of a promise that dies  
 A shimmering city, a glimmer of hope and a lie

In neon the name's gone there's no reason why anymore  
 Trust them and wind up alone behind a locked door

In neon, in neon

Pictures and patterns, the touches of glamour  
 Cut into a fashion that flashes above them in neon  
 A hot cup of coffee held in her fingers  
 A perfect complexion that lingers above her in neon

She hates how she feels but she hangs like a mirror  
 Maybe a stranger could walk in and see her in neon  
 For a shot at the title, she'd slip into something  
 She'd smoulder like ashes if it meant she might wind up in neon

In neon the dreams in the light of a promise that dies  
 A shimmering city, a glimmer of hope and a lie

In neon

## Acordes
