Lipstick and lashes, the traces of stardom
 Lit up on a billboard so everyone sees them in neon
 Behind the counter she stares out the window
 Up at the billboard that's like a reminder in neon
 She hates how she feels but she hangs like a mirror
 Maybe a stranger could walk in and see her in neon
 For two cents of danger she'd trust anybody
 She'd smoke like a gun if it meant she might wind up

In neon the dreams in the light of a promise that dies
 A shimmering city, a glimmer of hope and a lie

In neon the name's gone there's no reason why anymore
 Trust them and wind up alone behind a locked door

In neon, in neon

Pictures and patterns, the touches of glamour
 Cut into a fashion that flashes above them in neon
 A hot cup of coffee held in her fingers
 A perfect complexion that lingers above her in neon

She hates how she feels but she hangs like a mirror
 Maybe a stranger could walk in and see her in neon
 For a shot at the title, she'd slip into something
 She'd smoulder like ashes if it meant she might wind up in neon

In neon the dreams in the light of a promise that dies
 A shimmering city, a glimmer of hope and a lie

In neon
