I see your teeth flash, Jamaican honey so sweet  
Down where Lexington cross 47th Street  
She's a big girl, she's standing six foot three  
Turning tricks for the dudes in the big city

Island girl  
What you wanting with the white man's world  
Island girl  
Black boy want you in his island world  
He want to take you from the racket boss

He want to save you but the cause is lost  
Island girl, island girl, island girl  
Tell me what you wanting with the white man's world

She's black as coal but she burn like a fire  
And she wrap herself around you like a well worn tire  
You feel her nail scratch your back just like a rake  
He one more gone, he one more John who make the mistake

repeat chorus
