

# Elton John - I've Seen The Saucers

Tom: Gb

(Ab Db Ab Db )  
 (Ab G Ab Db )  
 (Dm(b5))

Ebm Ab  
 Tune in, wouldn't it be something  
 Db C Db Dm  
 Rumours spreading into panic  
 Ebm Ab  
 I've seen movements in the clearing  
 Gb Db Dm  
 Someone sent you something satanic

Ebm Ab  
 I have to leave you, radar's calling  
 Db C Db C Db  
 Outside somebody landed  
 Ebm Ab  
 Crazy wavelengths leave you helpless  
 Gb Db  
 Oh don't forget me I'm so stranded

[CHORUS]

B Ebm  
 I wouldn't fool you but I've seen the saucers  
 Abm Gb  
 So many times I'm almost in tune  
 Ab Ab Abm Bb Ebm Gb  
 Watching them flying in formation  
 B Gb Ab Gb F  
 Thinking how I could be so immune

[SAME AS CHORUS]

I've seen them I've been there with them  
 I can tell you all you want to know  
 Something touched me and I was only sleeping  
 Wouldn't you, wouldn't you like to go

Stars climbing into their planets  
 Systems won, controlled from birth  
 Empty living on this highway  
 Can you see me mother earth

It's so endless whirling onwards  
 Wonder what's cooking at home tonight  
 Maybe if I promise not to say a word  
 They can get me back before the morning light

## Acordes
