

Elton John - Kiss The Bridge

Tom: C
Intro: C C F C F F F G G G C G C G C

Well she ^{Dm7} looked a peach in the dress she made
when she was ^{Em7} still her mama's little girl.
And when she ^{Dm7} walked down the aisle everybody smiled at her ^{Em7} innocence and curls.
And when the ^{Dm7} preacher said is there anyone here
got a reason why they shouldn't wed? ^{Am Bb F Bb F Bb C Bb}
I should have stuck up my hand. I should have got up ^{F C F C G} to stand.
And this is what I should have said: ^{C F G G}
I wanna kiss the bride yeah! ^{C C F C F F F G G G C G}
^{C C F C F F F G G G C G G}

I wanna kiss the bride yeah!
^{A Dm7 Dm7 C G}
Long before she met him she was mine, mine, mine.
^{C F C F C G C G}
Don't say "I do". Say "bye, bye, bye"
^{C G C C F C F F G G G C G}
And let me kiss the bride yeah!
^{Dm7 Em7}
Underneath her veil I could see a tear trickling down her pretty face.
^{Dm7 Em7}
And when she slipped on the ring I knew everything would never be the same again
^{Dm7}
But if the groom would have known he'd have had a fit
^{Am Bb F Bb F Bb C Bb}
about his wife and the things we did.
^{F C F C G}
And what I planned to say, yeah on her wedding day.
^{C F G G}
Well I thought, I thought it but I kept it hid.
