

# Elton John - Rock N Roll Madonna

Tom: C  
Intro: C Cm

C Cm F F7  
If anyone should see me making it down the highway

C G Cm  
Breaking all the laws of the land

C Cm  
Well don't you try to stop me

F F7  
I'm going her way

C F Cm C  
And that's the way I'm sure she had it planned

C F F7  
Well that's my Rock-and-roll Madonna

C G Cm  
She's always been a lady of the road

C  
Well everybody wants her

F F7  
But no one ever gets her

C F Cm C  
Well the freeway is the only way she knows

C F F7  
Well if she would only slow down for a short time

C G Cm  
I'd get to know her just before she leaves

C F F7  
But she's got some fascination for that two wheel combination

C F Cm C  
And I swear it's going to be the death of me

(Chorus)

C  
Rock on, Babe!

(INSTRUMENTAL)

(Chorus)

C  
Let's get a little bit lower,

F F7  
Let's get a little bit lower,

C G Cm  
Oh! It's getting all right

C  
Sing it, baby!

F F7  
Yeah, that's pretty good.

C F Cm C  
Now is everybody gonna rock on with me?

C  
One more time!

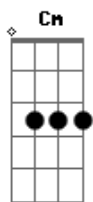

(Chorus)

C7
